

Foil Stamping Press

Since 2008, Diversified Graphic Machinery (Booth 258) has been the exclusive distributor of high-quality Saroglia foil presses manufactured in Turin, Italy. The heavy-duty Saroglia 740FX Foil Stamping, Embossing and Die Cutting press is built to ISO9000 standard for which the company is certified. It features a 22x29" maximum sheet size and operates at speeds up to 3,000 sheets per hour and can apply various types of material from extra thin paper to corrugated cardboard. In testament to the quality of the equipment the Saroglia 740 FX press has the highest resale value of any machine in its class.
